#### Green cleaning company helps raise awareness for breast cancer

Pleasantville, NY - Maid Brigade, a company committed to providing environmentally-friendly home cleaning services throughout Westchester, Putnam, Rockland and Fairfield counties, has donated \$1,000 to Support Connection, the Yorktown Heights-based organization that provides free support services to women throughout Westchester, Putnam and nearby counties who are affected by breast and ovarian cancer.

In addition to donating funds to Support Connection, Inc., Maid Brigade employees and staff donned pink ribbon pins throughout the month of October, National Breast Cancer Awareness Month, to help raise awareness of breast cancer.

According to the American Cancer Society, nearly 200,000 new cases of breast cancer are diagnosed each year in the United States, and nearly 40,000 die of the disease.

"As an organization trying to make the world a cleaner, healthier place, partnering with Support Connection supports our initiative. We are so pleased to be able to give back to our community in new ways," said Robin Murphy, president of Maid Brigade.
